Check here if you agree to have your name, city, phone and e-mail address published and made available to other NJBA members only (your full mailing address will **not** be published).

Check here if you would like the NJBA newsletter sent to you by email, as a PDF attachment instead of a hardcopy via the US Postal Service. Make certain to provide a valid email address above.

Check here if you are switching from one Primary Branch to another.

Make checks payable to your local branch (e.g. "Essex Beekeepers") and mail the dues with a copy of this form to the appropriate branch treasurer listed below.

Membership is for a year starting on the date you first pay your annual dues. Dues are payable on your anniversary date and are considered delinquent two months after that date. Dues must be current to receive the state newsletter, informational emails from the state, be listed on the product or swarm collector web pages and to enter the annual honey show. If you'd like to join additional branches once you have joined the NJBA through a primary branch, you can do so by paying the branch-only portion of the dues (\$8) directly to the additional branch or branches via US mail or at a branch meeting.

Secondary Branch: \_\_\_\_\_

*Most branches will allow members of any NJBA branch to attend their meetings. Already a member of one branch, but want to get newsletters from another? Check the box next to 'Secondary Branch', write in the name of the branch you'd like to be an 'associate member' of and send the \$8 branch portion of the dues and membership application separately to that branch's treasurer. Remember, you must have a Primary Branch membership at one branch before requesting a secondary or associate membership at an additional branch or branches.*
